

**Midwest ASB
Grand Valley State University
Grand Rapids, MI
Feb 23rd-24th, 2017**

Announcing the 2017 Midwest Regional Meeting:

I am pleased to inform you that the American Society of Biomechanics Midwest Regional Meeting will be hosted for the first time at Grand Valley State University campus in Grand Rapids, MI on February 23rd and February 24th, 2017. The ASB Midwest meeting will be a celebration of research and discovery in the Clinical Rehabilitation, Engineering, and Kinesiology disciplines. Undergraduate students, Graduate students, and Professionals are all encouraged to attend and/or submit abstracts.

Highlights:

- Podium and Poster presentations open to Graduate students, Undergraduate students, and Professionals
- Keynote speaker in Sport Biomechanics – Kristian O'Connor, PhD – University of Wisconsin-Milwaukee
- Keynote speaker in Ergonomics – Tammy Reid Bush, PhD – Michigan State University
- Biomechanics Lab Tour (CHS Building) – February 23rd, 2017 (1:00-3:00 pm)
- Exhibitor booths

Please visit the website (www.gvsu.edu/midwestasb) for more details and information about abstract submission and registration. I look forward to hearing from you!

Sincerely,

Heather Gulgin, PhD
Meeting & Program Chair
